## *Nutritional Information*

### **Nestlé Goods brought into the UK direct by retailers**

Nestlé UK Ltd is part of a large international company, which produces many different products world-wide. As a recipient of the enclosed nutritional information list you will be aware of our commitment to provide up to date and correct information about our products.

Recently some UK retailers have been importing Nestlé products from both Europe and other countries without our knowledge and as a result we are unable to guarantee that these imported Nestlé products are suitable for your allergy/intolerance. While appearing to be superficially similar to their UK counterparts, there are often recipe and production differences according to the country of origin.

For your own safety, please check the label of the product that you have purchased – even if you have eaten the product before

If you are unsure please contact us and we will do our best to help you. You can contact us free on 00800 637 85385.

Our website address is [www.nestle.co.uk](http://www.nestle.co.uk) – you can email us from the 'contact us' screen.

Please note that the information on this list relates to our standard range of products. For suitability of all limited edition/seasonal products, please call us on the above contact number.

## **Foods Suitable for a Vegetarian Diet**

Products listed in **bold** are recent additions/alterations.

All products on this list are free from meat, fish and their derivatives.

Please note: Some products on this list have been fortified with Vitamin D3 sourced from lanolin (sheep's wool). Recourse to that information should enable you to decide whether you wish to avoid any particular Nestle product.

If you require any further information regarding any of our products, please contact:
