

Nestlé UK & Ireland - Vegetarian suitable products

Nestlé UK Ltd is committed to providing the most recent and correct information about its products. All the products detailed below are UK market products, we are unable to provide the dietary status on non-UK products. Some UK retailers import Nestlé products from overseas, we are unable to guarantee that these imported Nestlé products are suitable for you to consume. They appear to be like the UK counterparts, but there are often recipe and production differences according to the country of origin.

We recommend checking the product label, even if you have eaten the product previously

All products on this list are free from meat, fish and their derivatives.

Some products on this list have been fortified with Vitamin D3 sourced from lanolin (sheep's wool).

This information enables the individual the option to decide if they wish to avoid any Nestle product.

Products listed in **bold** are recent additions/alterations.
